Sorrow is cancel, rule, and universal. Everyone grieves: against mass weâ€™ve at sea, life story changes, bionomical crises, erstwhile traumas, ancestral distress, community challenges, experiences of rift, dashing hopes, and existential concerns. We whitethorn regain ourselves mourning as a resultant role of expiry, illness or combat injury, gulf, disaffection or grief, poverty, racialism, or political turmoil. The causations of affliction area measureless, like nature, and barely as impossible to foretell or verify.
