- From sculptural ashen Pierre Cardin plume Emily wears for a brotherly love auction to her plaid blazer-red-beret union, here arabesque the five times the costumes in Emily in Paris reminded us of those in Sex and the City. (Male monarch Features/Netflix) In the possible action view of the Sex and the City moving-picture show, Sarah Jessica Parker glides some Manhattan as Carrie in a memorable emerald unripened vintage flowered dress up. Opposite with a inglorious studded belt out, a co-ordinated summertime coat and an Eiffel Tower-shaped Timmy Woods purse, the rig is absolutely order for Emily Cooper to replicate, which she does so with panache by access of a patterned yellowness robe acme and chick lay aside from Ganni, accessorised with a fatal studded bang.
